CAREER OBJECTIVE

MCA graduate with strong expertise in **Java development, Spring Boot, and database management**, with hands-on experience building real-time web applications. Skilled in developing scalable backend systems, REST APIs, and database-driven applications. Seeking an entry-level Java Developer role to contribute to high-quality software solutions.

TECHNICAL SKILLS

Programming Languages: Java(Core Java, OOPS, Collections, Exception Handling, Multithreading).

Backend Technologies: Spring Boot, JDBC, Hibernate, REST API's, Microservices Architecture.

Frontend Technologies: HTML5, CSS3, JavaScript.

DevOps & Cloud: Docker, Kubernetes, AWS cloud fundamentals, CI/CD Pipelines(GitHub Actions).

Database: MySQL, OracleSQL (Subqueries, Joins).

Concepts & Tools: Maven, SDLC, Agile, Scrum, Git, GitHub, Postman, VS Code, Eclipse.

WORK EXPERIENCE

Full Stack Web Development Intern – Aiva Solution Integrations Nov 2024 – Jan 2025

- Developed web applications using **Java, HTML, CSS, and JavaScript**.
- Implemented database operations using **Oracle SQL and JDBC**.
- Assisted in building backend logic and integrating frontend with backend.
- Collaborated with team members to debug and optimize application performance.
- Gained practical experience in real-world web application development lifecycle.

PROJECTS

Smart Shield – ML Based Defence Against Malicious URL's

- Built a real-time phishing detection system using **XGBoost** Machine Learning model.
- Implemented **URL feature extraction, SSL verification and domain reputation analysis**.
- Developed backend using **Flask** and interactive frontend using **HTML, CSS, JS**.
- Improved detection accuracy and enhanced cybersecurity awareness.

Online Banquet Hall Booking System

- Developed a **Java-based web application** for booking and managing banquet services.
- Designed backend logic using **JDBC and Oracle SQL**.
- Created responsive UI using **HTML, CSS, and JavaScript**.
- Implemented CRUD operations for efficient booking management.

EDUCATION

Master of Computer Applications (MCA) Feb 2024 – Dec 2025

ATME College of Engineering, Mysuru CGPA: 8.76/10

Bachelor of Computer Applications (BCA) Oct 2020 – Sep 2023

Vidyavahini First Grade College, Tumakuru CGPA: 7.67/10

CERTIFICATIONS

- Web Development Fundamental - Prodigy InfoTech.
- Software Testing - NPTEL(Swayam).
